ORDINANCE NO. 2014 – 258

AN ORDINANCE FORMULATING THE BLOOD TYPING REGISTRY PROGRAM OF THE MUNICIPALITY OF OTON, ILOILO

WHEREAS, Sec. 447 of the Local Government Code of 1991 (RA7160) states that the Sangguniang Bayan, as a legislative body of the municipality, shall enact ordinances, approve resolutions and appropriate funds for the general welfare of the municipality and its inhabitants pursuant to Sec. 16 of RA 7160 and in the proper exercise of the corporate power of the municipality as provided for under Section 22 of this Code;

WHEREAS, subject to the provisions of Rule XXIII of Local Health Boards and in accordance with the standards and criteria of the Department of Health (DOH), provision on health services which include the implementation of programs and projects on primary health care, maternal and child care, communicable and non-communicable disease control services and access to secondary and tertiary health services shall be implemented;

WHEREAS, the need for Blood Typing Registry Program will greatly help the constituents in times of disaster or emergencies and especially during outbreak of cases that needs blood and blood product transfusions,

NOW THEREFORE ON MOTION of the Committee on Health and Sanitation, composed by Hon. Rodolfo Z. Alconga, Jr. and Hon. Jafet P. Salinas which was duly seconded by Hon. Eusebio G. Villavicencio, Jr.

BE IT ORDAINED by the Sangguniang Bayan of Oton, Iloilo, that:

SECTION 1. SHORT TITLE. This ordinance shall be known as THE BLOOD TYPING REGISTRY ORDINANCE OF THE MUNICIPALITY OF OTON, ILOILO.

SECTION 2. AIMS. This ordinance aims to provide a local mechanism by which RA 7719, otherwise known as the National Blood Services Act of 1994, shall be realized in the Municipality of Oton towards the promotion of public health.

Consistent with the policy of the state, this ordinance aims:

- a. to promote and provide a comprehensive blood typing registry in the entire Municipality of Oton and to instill public consciousness of the principle of blood typing registry program.

- b. to inform the public of the benefits and the need for a comprehensive blood typing registry for the availability of blood donors in the future.
- c. to mobilize all the sectors of the community to participate in the activities of the Blood Typing Registry Program of the municipality.

SECTION 3. SCOPE. This ordinance shall be applicable to all constituents of the municipality.

SECTION 4. DEFINITION OF TERMS. For purposes of this Ordinance, the following terms are hereby defined:

- a. **Blood Typing Registry** – a document or a book containing the blood type list of all individuals in the municipality.
- b. **Blood Typing** -the process of classifying blood into blood groups through laboratory tests.
- c. **ABO Blood Typing/Direct Blood Typing**– blood sample is mixed with antibodies against type A and B blood, and the sample is checked to see whether or not the blood cells stick together (agglutinate). If blood cells stick together, it means the blood reacted with one of the antibodies.
- d. **Local Blood Typing Registry Council** – refers to a non-profit, multi-sectoral group whose members come from government and private sectors in the local community committed to support the blood typing program.
- e. **Anti Serum** - A serum containing antibodies.
- f. **Blood Type Card**- a card containing the blood type of individuals duly signed by the municipality's Medical Technologist and DOH Pathologist and noted by the Municipal Health Officer and the Municipal Mayor.
